

Kortrijk Vlaandert Kunstwandeling 04/07 > 18/08

04.07.2013 - 18.08.2013

Kortrijk Vlaandert association organizes in cooperation with the City of Kortrijk an art walk through Kortrijk. This discovery shows you Kortrijk in all its facets: musing about the rich past and actively daydream with creative present. Known contemporary artists from all Flemish provinces surprise you with their recent work in unexpected locations.

In good neighborliness Kortrijk Vlaandert also invites Brussels, Wallonia, Northern France and the Netherlands. Art spans borders.
